WHY CHOOSE A PRE-PAID PLAN?

Makes financial sense

A pre-paid plan covers the funeral costs listed in the plan details as long as your requirements don't change and you don't later choose a different funeral director. In these circumstances, there may be a balance to pay. Please refer to the Terms and Conditions for more information.

A range of options to suit you

Choose from a range of plans to suit your requirements and budget. You can also personalise your plan to your specific wishes. We will work with you to understand your needs and provide information on what options are available locally.

Spread the cost and pay monthly

Spread the cost and pay over 12 months with no additional charge. There is an additional cost if paying by instalments over two or more years and eligibility criteria applies. Contact us for a personalised quote and for a copy of our Instalment Q&A and Terms and Conditions.

Easy to apply

There are no medical questions and it's simple to take out a plan.

The strength behind our plans

Our funeral plans are provided by Ecclesiastical Planning Services. Your pre-payment is ring-fenced and held in a whole of life policy, so it is there when it is needed.

Valuable peace of mind

When you take out a funeral plan through us, you can be confident that it will provide valuable peace of mind, reducing the burden and financial worry for your loved ones. What's more, the plans we offer are very flexible and you can make changes to fully-paid plans at any time. There may be more to pay if you add new features and services.

Reduce the worry for loved ones

Many people don't discuss their funeral wishes, which can lead to anxiety for loved ones.

Making your wishes known in advance gives you peace of mind and reduces those difficult decisions when the time comes.

RELAX KNOWING YOUR AFFAIRS ARE IN ORDER WITH A PRE-PAID FUNERAL PLAN

Make provision for funeral costs

The plans we offer cover your specified funeral costs, no matter how much prices rise in the future. As long as you don't later choose a different funeral director and your requirements don't change, your loved ones won't be asked to pay more when the time comes. Please refer to the questions and answers in this brochure and the Terms and Conditions for more information.

What happens to our money?

Our funeral pre-payment plans are provided by Ecclesiastical Planning Services. The value of the plan (excluding the initial administration fee and any instalment charges) is held in a whole of life assurance policy and ring-fenced for your funeral when the time comes. The money is made immediately available at the time of need and the funds cannot be used for anything other than your funeral for total peace of mind.

A choice of services to suit you

Everyone has their own ideas about the funeral they would like. You may choose something simple and straightforward, or you might prefer a funeral with additional services and special touches.

Our Funeral Plans are available for both burial and cremation, all planned and carried out by us. We offer a wide range of funeral plans to suit all budgets and we can spend time with you designing a plan that is in accordance with your wishes. So, even if your preference is for something less conventional - a horse drawn hearse, a dove release, a woodland burial or even a committal at sea - we'll make sure it happens when the time comes.
