### COVID-19 LIMOUSINE SAFETY UPDATE

To ensure we provide a safe environment for our colleagues and the families we serve, we have adapted our limousines by fitting Perspex safety screens to provide a clear barrier between our passengers and the driver. Our limousine driver will continue to follow social distancing protocols, keeping a safe distance whilst you enter and exit the limousine. The maximum number of passengers will be six mourners and these need to be from the same household or social bubble.

Hand sanitiser will be available in the limousines for use each time you enter and vehicles are sanitised after each funeral.

Thank you for your understanding and we appreciate your support during this continued time of uncertainty.

\* Currently this funeral allows for close family (subject to conditions at the crematorium). We will advise on the latest crematorium rules regarding the number of attendees but currently most are restricting this to immediate family only and social distancing being maintained.

\*\* The webcast fee for each Crematorium will vary.

If you would prefer an alternative coffin to the ones included in the table above, please see some popular choices below. Simply deduct the cost of the coffin included and add the cost of your chosen coffin.

There are further choices in our online brochure. Please call us on 020 818 7725 for assistance and advice.
