# OUR 'TRADITIONAL' FUNERAL CHOICES

## THE DIGNIFIED BASIC FUNERAL

We offer a simple funeral service where our professional services are restricted to a minimum and include the following:

- The funeral must take place on a day and a time to suit ourselves and no changes to the arrangements as detailed below are allowed.
- Making arrangements for the funeral, bringing the deceased into our care (allowing for a 10 mile journey), supply of a hearse only travelling directly to the nearest crematorium or nearest cemetery together with the necessary staff and the provision of a practical and simple coffin..... £2,940.00
- As the natural process of decomposition begins immediately after death and our Chapel of Rest is used by many, we strongly recommend that clients wishing to visit our Chapel allow the necessary preservation process to be carried out.  
Additional charge for temporary preservation (embalming) and use of the Chapel of Rest ..... £125.00
- All fees and disbursements must be paid in advance of the funeral taking place.
- All accounts are payable within one calendar month of the date of the funeral. Interest will be charged at a rate of 1.5% compounded on any monies outstanding one calendar month after the date of the funeral and every month thereafter.

The Basic Coffin provided with the Dignified Basic Funeral and Standard Unattended Funeral - A simulated mahogany veneered coffin, fitted with two pairs of coloured plastic handles, an inscription plate and the interior lined with white side sheets.

## STANDARD UNATTENDED FUNERAL

For those clients who wish to have no funeral service and no-one in attendance, we offer a simple cremation at a local crematorium of our choice. We will take care of all the necessary arrangements in exactly the same professional manner as with our other funerals. Unlike other suppliers, to show our due respect and reverence to the deceased, we will always provide a hearse and four bearers.

Our services include:

- Making all the necessary arrangements and guidance on completing and signing the necessary paperwork.
- Bringing the deceased into our care from anywhere within a 10 mile journey from one of our branches.
- The provision of a practical and simple coffin for cremation.
- Provision of a hearse and four bearers.
- Ashes will be returned to your nearest branch or can be scattered at the crematorium without witnessing.
- Once we have taken someone into our care it is not possible to visit the deceased in a chapel of rest. The carrying out of embalming, arranging of floral tributes and collection of charitable donations are not included.
- There will be no procession or limousines and it is not possible for mourners to attend the funeral. The cremation will take place at a crematorium of our choice, without any form of service and on a date and a time of our choosing.

This list is illustrative and not exhaustive.

We require the total cost to be paid at the time of making the arrangements and in advance of the cremation taking place.

Total cost (Including crematorium fee but excluding fees to Doctors for cremation paperwork if required) ..... £2,185.00
