

BRONZE SERVICE PRICING DETAILS

Under our Bronze service we will check forms PA1 and IHT 205 which you have prepared and advise you of any amendments that are required. You will then be able to make a personal application to the probate registry for a Grant of Probate knowing that the application has been checked by a specialist probate Lawyer. Our fees are fixed at £350 + VAT (£420 INC. VAT).

If you are completing forms PA1 and IHT 400 and there is no IHT to pay our fees will be fixed at £500 + VAT (£600 INC. VAT).

If a payment of IHT is necessary we will give you a fixed fee tailored to your needs once we have obtained more information from you.

There may be additional charges which we will agree with you in advance if there are significant errors in the forms that you have prepared.
